### The Story

HAIR CARE, was originated by Maurice Tidy and Gina Caruso, now residing in South Carolina. Maurice, the former Styles Director for Vidal Sassoon will be overseeing the event here at Hair Designs North in Dearborn, MI.

This event is focused on cutting and styling hair for people who are presently Unemployed, FREE!! We hope the HDN mantra “When you look good... You feel good”, will become infectious to the people receiving the service and will help them find work in the weeks following the event, we truly hope so..

The surrounding community has thrown their support behind this project, top hair stylists from Americoif of Detroit and the state of Michigan will be donating their talents, restaurants are donating food for the working staff, printers are donating printing, celebrities will be showing support, people are offering to sweep hair, etc...

**Maurice Tidy & Gina Caruso joined by Al O’Sada and Kim Briffa of Hair Designs North of Dearborn, MI., are responding to the national increase in unemployment by putting on this Cut a Thon called... HAIR CARE..**
